JOHN P. CRONAN, United States District Judge:

On August 8, 2023, Defendants TD Bank and Universal Protection Service, LLC d/b/a Allied Universal Security Services (“AU”) moved to dismiss this action. Dkt. 16. The Court previously referred this *pro se* case for mediation to the court’s Mediation Program, which appears to be ongoing. Dkt. 8. In addition, TD Bank and AU did not submit a pre-motion letter pursuant to 6.A of Judge Cronan’s Individual Rules and Practices for Civil Cases, prior to filing their motion. Accordingly, the motion is therefore denied without prejudice. If the mediation is unsuccessful, TD and AU may submit a pre-motion letter and renew their motion after the Court sets a briefing schedule.

SO ORDERED.
